

PRE-MASTER'S COURSES

Prepare yourself for success in your master's degree

www.brookes.ac.uk/international/premasters

WHY STUDY A PRE-MASTER'S AT OXFORD BROOKES?

A pre-master's course will help to make you a confident and successful master's student by developing your reading and research skills, academic writing skills, seminar skills, and extended writing skills.

You will also choose from a range of subject modules, alongside final year undergraduate students, in your chosen academic area (or an independent subject module during the summer semester).

- Meet the academic and language requirements of your master's
- Gain confidence and experience university life in the UK
- Study from just 12 or 24 weeks
- Give yourself some extra preparation if you've had a break from education
- Build on your subject knowledge if your bachelor's is different from your master's
- Have the opportunity to win one of the £2,000 scholarships available to the highest performing students progressing to a master's at Oxford Brookes

“My pre-master's was probably the best investment that I have made both financially and time-wise. Coming from a different background, not a British one, I really, really needed that preparation and now I feel it. I've learnt so much and my life is so much easier now. It was such good preparation. Now I can focus on the academic content of my master's and I don't struggle with research, writing, reading, all these skills.”

Alisa Stef, Romania, Pre-Master's Certificate followed by LLM International Law

Course title	IELTS entry requirement (in addition to a degree/diploma or equivalent work experience)	Course length	Dates (including induction and exams)	Tuition fees
Pre-Master's Certificate: Study Skills	7.0 or native/near-native speaker	1 semester	26 Jan – 19 May 2017	£5,400

Course list correct at time of publication.

*SPECIFIC MASTER'S REQUIREMENTS

Some master's degrees have specific entry requirements such as:

- Work experience (*Education, Social Work and Health-related master's*)
- A portfolio of work (*Architecture and Arts-related master's*)

You will need to meet these requirements when you apply for your master's. Or take a pre-master's to build your study skills and confidence in preparation for these degrees.
